BEAUTIFULLY BRITISH

Luxury Bathrooms by Imperial

Take a close look at the finish of any piece of Imperial ceramic ware and you will discover a flawlessly smooth surface beneath layer after layer of Imperial's brilliant glaze. Notice how our bathroom furniture is made the traditional way with jointed solid wood and genuine wood veneers. Feel the reassuring strength and weight of our brassware because beneath its Chrome, Antique Gold or Polished Nickel finish, it really is manufactured from cast brass to last a lifetime, or more.

These are just a few examples of the way Imperial is showcasing the very finest British traditions of quality around the world. And as for the way our bathrooms look, we are delighted to say that they speak for themselves.

Enjoy our collections for the first time.

We want to spoil you for choice with our collections but we also want to make choosing a simple pleasure. Our design team has arranged our ceramic ware, basin stands and furniture into a series of Imperial collections. Each one comprises a co-ordinated selection of pieces that go beautifully together in virtually any combination. You can then go on to add your own choices of brassware, bath, tiling, lighting, mirrors and accessories to create the stunningly distinctive bathroom you have always promised yourself.

Heyford Collection

With its high upstand Heyford has a strong period character that is also amazingly versatile thanks to the wide selection of basin styles available. The distinctive look is complemented to perfection by Imperial's own range of brassware, accessories, tiles and mirrors.
